Defendant's Name: LYNCH, KELLI RENEE		Agency Case Number: 2022-00021166	

NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the 18 of January 2022 at 17:58 at 5751 EAGLE VAIL DR (Zone: k4) in Orange County did

On January 18, 2022 at approximately 1832 hours, I, Officer N. Riolute (33162) responded 5751 Eagle Vail Dr (Airport Chrysler Dodge Jeep) in reference to a suspicious person.

Prior to arrival on scene, I was notified via Orlando Police Dispatch that the manager of Airport Chrysler Dodge Jeep believed that someone was attempting to purchase a vehicle using a fraudulent Texas ID. The manager of the vehicle dealership believed that the purchaser of the vehicle was attempting to commit fraud due to similar scams happening recently.

Upon arrival I met with Officer A. Goss (17018) who was already on scene and standing with Scott Mcalpin, store manager, who stated the following in a verbal and sworn written statement; At approximately 1700 hours his employees told him that a suspicious sale transaction was taking place. After reviewing the documents Mcalpin agreed that something did not add up; the Texas driver's license looked brand new despite being issued in 2020, none of the addresses the female provided matched the credit report, and the work phone number listed was a "robo" number. Mcalpin also stated that the woman who was attempting to purchase the vehicle did not appear to be the age the Texas driver's license stated she was. Mcalpin then searched the name of the female on the license he was provided and found a Linked In account with a photograph of a woman that did not match the female that he was with. Mcalpin also stated that the female was with a male inside the business and had another male who was waiting in a silver mustang in the parking lot.

Mcalpin provided me with a Texas Driver's License for a "Jennifer Buhigas", TX DL 1764038, as the woman who was attempting to purchase the vehicle. Using ELVIS, I verified that the Texas Driver's License provided by the female did have valid information but was not the individual in the photograph. The female was later positively identified using DAVID as Kelli Lynch. I was also able to get in contact with Jennifer Buhigas who stated that she did not give anyone permission to use her information and desires prosecution.

Mcalpin also stated that he was suspicious of the situation as approximately two weeks ago he had a similar scheme to defraud where the individuals also provided documentation that stated they did not need to put any money down on a vehicle. Lynch brought with her documentation that stated she, "Jennifer Buhigas", was preapproved through Capital One Auto Navigator for a 2021 Dodge Challenger R/T Scat Pack Widebody (VIN 2C3CDZFJ8MH551983) for \$62,178 at \$943 dollars a month for 75 months, with no money down. Lynch also provided Geico Insurance information under the name of "Jennifer Buhigas" stating that she currently has insurance through them under policy number 6093186176 that is effective January 17, 2022 to July 17, 2022. Lynch also provided Geico statements that show she has coverage for the 2021 Dodge Challenger with the same VIN. Lynch provided bank statements in Buhigas name showing account balances. Later inside the rental vehicle that Lynch came in was located a preprinted insurance cards through GEICO for the 2021 Dodge Challenger that Lynch was attempting to purchase fraudulently. It should be noted that on the paperwork that Lynch printed out of the vehicle she wanted was the VIN of the vehicle, so Lynch had the VIN for the vehicle prior to arriving at the dealership.

Mcalpin did not give permission to anyone to purchase a vehicle fraudulently and desires prosecution on behalf of the business.

Officers also spoke to Reginald McCarthy and Karim Abbas, both employees of the vehicle dealership who provided sworn written statements.

Officer Goss and I then went into the business where we were notified that Lynch and the male were attempting to leave after signing all the documents to the vehicle. Officer Goss and I located the pair walking out of the store. Lynch and the male were then detained pending an investigation.

Lynch immediately asked for a lawyer and was placed under arrest based on the evidence from the above referenced investigation. Search incident to arrest Officer Goss located inside Lynch's purse a bottle of D-Amphetamine Salt prescribed to Tara Weeks. It should be noted that Tara Weeks is not one of the individuals that was with Lynch at the dealership. Officer B. Distler (33509) identified the 60 pills in the above listed container as Dextroamphetamine 30 mg using Pill Finder. Dextroamphetamine is classified as a Schedule 2 controlled substance. Please See Officer Distler's supplemental report for additional information.

The male that was with Lynch was stopped by Sergeant R. Ospina (16417) as he was attempting to hide from Officer Goss and I. When Sergeant Ospina pat down the individual, Sergeant Ospina felt a wallet in the male's pocket. Sergeant Ospina then asked the male for identification to which he stated he did not have any although Sergeant Ospina previously felt his wallet in his pocket. The male then retrieved his wallet from his pants and began to pull out all the documents. One of the cards that the male pulled out was a Texas Driver's License for a "Michael Piehler" TX DL 36835924. The male was later identified via DAVID as Mateusz Bobowski. Bobowski immediately told Sergeant Ospina that he found that ID card and it was not his. Sergeant Ospina instantly recognized that the photograph on the identification card was of Bobowski and looked photoshopped. Using ELVIS, I verified that the Texas Driver's License provided by the male did have valid information but was not the individual in the photograph.

Officer Goss later read Bobowski his Miranda Right's off his department approved Miranda Right's card to which Bobowski stated he understood and would speak to him regarding this incident. After establishing a rapport with Bobowski, I then began to question him in regard to this incident. Bobowski stated post-Miranda that he lost his Florida Driver's license and because of that his friend offered him Texas Driver's License and he accepted knowing it was fraudulent. He believes that Lynch may have also gotten her fraudulent Texas Driver's license from the same friend. I then asked Bobowski why he did not just obtain another Florida Driver's License to which he stated his license was suspended. I asked Bobowski why he did not obtain a Florida Identification card and he stated that he did not have the documentation, so it was easier to get the Texas Driver's License. Bobowski then went on to say that he has known Lynch for approximately six months and believes the only income she has is social security income but was unaware of how much she received a month. Bobowski stated he did not hear the name that they were calling Lynch in the entirety of the transaction at the dealership although he was next to her throughout the process which was multiple hours long. Bobowski mentioned that he felt uncomfortable with what Lynch was doing at the dealership.

While I was maintaining supervision of Lynch and Bobowski, other officers on scene made contact with Collin Clennan Please see Officer Goss's statement for additional information.

The vehicle that Clennan was seated in at the time officers made contact with him was later searched by Officer Distler where multiple contraband substances and items were located. These substances were submitted to Orlando Police Department Property and Evidence as well as submitted to Florida Department of Law Enforcement for testing by Officer Distler. Also inside the vehicle was a second purse with documents belonging to Lynch. Inside the purse was another identification card with Lynch's photograph on it. The identification card was a South Carolina Driver's License to "Chloe Berry" SC DL 954132764. Using ELVIS, I was able to determine that this individual does not exist with that Driver's License number and date of birth in the South Carolina. Please see Officer Distler's supplemental report for additional information.

I transported Lynch and Officer A. Clabaugh (35080) assisted in transporting Bobowski to Orlando Police Department Headquarters to speak
