RUSTY MILLER, et al.,

Petitioner(s),

v.

STATE OF FLORIDA,

Respondent(s).

**NOTICE OF SUPPLEMENTAL INFORMATION RELATING TO PENDING
SHOW CAUSE RESPONSE**

Lower Tribunal Case No.: 6D2024-1378; 482022CF000688000AOX

**Petitioner, RUSTY MILLER, pursuant to Florida Rule of Appellate
Procedure 9.225, submits this Notice of Supplemental Information
directly relevant to the pending Show Cause Order response:**

1. Administrative Obstruction:

a. On October 17, 2024, Chief Judge Lisa Taylor Munyon removed herself from the electronic service list for this case (see attached notification).

b. On October 17, 2024, Petitioner requested clarification from Chief Judge Munyon regarding her decision to remove herself from service (see attached request).

c. As of October 22, 2024, Chief Judge Munyon has not responded to Petitioner's request for clarification.

d. This unexplained removal and lack of response demonstrates an ongoing pattern of systematic obstruction by the Ninth Judicial Circuit leadership.

e. These actions are directly relevant to the need for Supreme Court intervention via the pending Petition for Writ of Mandamus.

2. Timing & Relevance:

a. The events described above occurred after Petitioner filed his **October 15, 2024** response to this Court's Show Cause Order.

b. These events further demonstrate a continuing pattern of conduct that obstructs Petitioner's access to a fair and impartial legal process.

c. The Chief Judge's actions show an exhaustion of administrative remedies at the local level, necessitating this Court's immediate intervention.

d. This supplemental information supports Petitioner's core argument for mandamus relief due to systemic judicial misconduct and lack of oversight.

3. Impact on Pending Matter:

- a.** The Chief Judge's self-removal from this case and refusal to clarify her actions further evidences the systemic issues detailed in the Petition.
- b.** These events underscore the lack of an adequate remedy at the local level, requiring this Court's intercession.
- c.** The ongoing nature of this obstruction supports the need for an immediate intervention by this Court to halt the continuing violations of Petitioner's constitutional rights.
- d.** This supplemental information directly supports the claims and arguments raised in Petitioner's original Petition for Writ of Mandamus.

4. Chief Judge's Duties and Responsibilities:

- a.** Under Florida Rule of General Practice and Judicial Administration 2.215(b)(2), the Chief Judge is responsible for the administrative supervision of the circuit courts and county courts in the circuit.
- b.** The Chief Judge has the duty to exercise "administrative supervision over all courts within [the] circuit." Fla. R. Gen. Prac. & Jud. Admin. 2.215(b)(2).
- c.** The Chief Judge's responsibilities include "supervising the dockets and calendars of the courts," "coordinating judicial and quasi-judicial personnel," and "promoting the prompt and efficient administration of justice." Fla. R. Gen. Prac. & Jud. Admin. 2.215(b)(3), (4), (7).
- d.** By removing herself from the service list and failing to respond to Petitioner's request for clarification, Chief Judge Munyon has neglected her administrative duties and failed to ensure the "prompt and efficient administration of justice."

e. The Chief Judge's actions raise serious questions about her ability to effectively carry out the duties bestowed upon her by the Florida Rules of General Practice and Judicial Administration.

5. Chief Judge's Supervisory Role and Responsibilities:

a. While Chief Judge Munyon is not officially named as a party in this case, her role as the administrative head of the Ninth Judicial Circuit makes her involvement essential to addressing the allegations of judicial misconduct.

b. As the Chief Judge, she has a duty to exercise "administrative supervision over all courts within [the] circuit" and to ensure the "prompt and efficient administration of justice." Fla. R. Gen. Prac. & Jud. Admin. 2.215(b)(2), (7).

c. The allegations of misconduct against Judge Madrigal, a judge under Chief Judge Munyon's supervision, directly implicate her responsibilities as Chief Judge.

d. By removing herself from the service list and failing to respond to Petitioner's request for clarification, Chief Judge Munyon is neglecting her supervisory duties and hindering the proper administration of justice.

e. Even though she is not a named party, Chief Judge Munyon's actions (or inaction) in response to the allegations against Judge Madrigal are directly relevant to the issues raised in the Petition for Writ of Mandamus.

6. Importance of Chief Judge's Involvement:

a. The Chief Judge's involvement in this matter is crucial to ensuring a thorough investigation of the alleged misconduct and implementing necessary corrective measures.

b. As the administrative head of the circuit, Chief Judge Munyon has the authority and responsibility to address issues of judicial misconduct and ensure the integrity of the judicial system.

c. By removing herself from the service list, Chief Judge Munyon is effectively shirking her responsibilities and impeding the proper resolution of this matter.

d. The Chief Judge's involvement, even as a non-party, is essential to maintaining public confidence in the judiciary and ensuring that allegations of misconduct are properly addressed.

WHEREFORE, Petitioner submits this Notice of Supplemental Information for the Court's consideration in relation to the pending Show Cause Order response and the overall Petition for Writ of Mandamus.

Under penalties of perjury, I declare that I have read the foregoing document and that the facts stated in it are true.
