

**JUNE 3, 2022**

**Jonathan Mills:**

They said I'm good to go, I'll send you the link in a minute

NOTE: This is in reference to him being able to be Kellis lawyer being he was a lawyer for Mateusz Bobowski in another case and him being the Co-Defendant for this case HE SAID THE FLORIDA BAR SAID IT WAS OK FOR HIM TO TAKE THE CASE AS THEY SAID THERE WAS NO CONFLICT, I BELIEVE THIS TO BE HIS FIRST LIE.

**RUSTY M:**

Ok

Rustycmiller@gmail.com

Ok that's paid. And I guess the only immediate question is when she can get a new bond hearing.

**Jonathan Mills:**

I will get it filed today, then it's up to our judge. He usually moves relatively quickly so hopefully sometime next week. Thank you

**RUSTY M:**

Yeah that's what I told her ok Ty

Is her judge pretty cool u think

**Jonathan Mills:**

He definitely follows the law

**JUNE 4, 2022**

**RUSTY M:**

We're u able to file anything

**JUNE 6, 2022**

**Jonathan Mills:**

Hey Rusty sorry I am in court.

Yes I did file for the bond though.

Filing # 150876725 E-Filed 06/06/2022

Finally 3 days later he finally files a motion for a bond hearing

**RUSTY M:**

Ok good I was just going to give u her gf number to get this whole trafficking and prescription thing dealt with. Bc the trafficking can go away and the new charge can go away bc Kelli has a prescription for the new charge just had it in the wrong bottle and Tara has a perscription of the one that got her the trafficking and it was in the right bottle with the girlfriends name on it. Tara 7272042036

**Jonathan Mills:**

Perfect thanks

**RUSTY M:**

U have a court date for that yet I don't see it online

**JUNE 7, 2022**

**RUSTY M:**

Hey I was being hounded from the client wanted to know a possible court date, lol. Let me know if u hear anything thanks

**Jonathan Mills:**

I definitely will I'm just waiting on the judges office to get back to me

**RUSTY M:**

Ok thank you.

Kelli is having some mental/medical issues and can't reach her and when a visitor went to see her she was out of her mind, and which will be the norm, when we try to reach Jonathan he doesn't reply.

**JUNE 9, 2022**

**Jonathan Mills:**

Hey Rusty just a reminder I need you to sign that agreement I sent you electronically

**JUNE 10, 2022**

**RUSTY M:**

Hey I didn't know I had that and sorry just seeing this I'll do it now

Also I told u before we haven't heard from Kelli and found out why when another inmate called

me bc they found my number in her stuff but they have been taking her back and forth to psych bc she is talking out of her head she keeps chasing her dog around the jail and sleep walking. She has never done this before and they take her to psych bring her back and she is worse than how she was before.

We can't visit her and she doesn't seem capable to call us. But is there anything we can do is there anyway possible to get her a bond hearing sooner. This is scary how she is acting

**JUNE 11, 2022**

**RUSTY M:**

Is there is any way I'll give u another 2k now if u can get Kelli an emergency hearing Monday to

try to get her a bond she really is losing it

**JUNE 13, 2022**

Still not being able to reach him, I sent another text.

**RUSTY M:**

Hey can u give me a call plz.. really worried about Kelly. She isn't in lock up not sure if u read my prior messages. Have u went to see her. She is really messed up in there they have her on some kind of medication that is harming her

**Jonathan Mills:**

Hey, yeah I can I'm tied up at the moment but will. I saw her and she is doing well yes. Also talked to tara so that is in the works as well

**RUSTY M:**

When did u see her

**JUNE 15. 2022**

**RUSTY M:**

Can u please call me sometime today I really need to find out what is going on with Kelli they have her in the psych holding cell and this is not normal for her we haven't heard from her in over a week and this is very concerning

17 days later she finally has a bond hearing!

**JUNE 20. 2022**

**RUSTY M:**

Hey so I have a printed copy of the prescriptions and the dates of it being subscribed sent from the pharmacy. Also got BOTH empty bottles with BOTH prescriptions in question that we needed to clear all the drug charges on both cases up.

**Jonathan Mills:**

Can you send that to me by email?

**RUSTY M:**

I live now like 3 blocks from the court house at the Mondrian on Pine. I can meet u there if u want or drop by your office

**Jonathan Mills:**

I'll get it from you this morning on the way to court

**RUSTY M:**

Ok I can meet u there at court or outside just tell me when

I only have her records (Kelli) Tara I just have her bottle she can have the records by end of the day she got the wrong thing for me and only had the script numbers and not the names But I have both bottles i bring u

But the bottles will work and if u want [I'll have] Tara there. to confirm it's hers if that helps

**Jonathan Mills:**

Couldn't hurt yeah

**RUSTY M:**

I talked to her and yes she will come to court today

What time should we be there

**Jonathan Mills:**

Let's meet about 9:45

Courtroom 12d

**RUSTY M:**

Sounds good

**Jonathan Mills:**

Text me when you're here and I'll come outside the courtroom

**RUSTY M:**

Ok almost there to the court house

Tara is outside door of court room 12 d

**Jonathan Mills:**

OK

**RUSTY M:**

lol late but she is one that matters

Side Note: Jonathan always wanted money sent to his personal CashApp

He was never able to receive a Zelle and even preferred to send it to a friend of his CashApp.

Personal Payments that you would use CashApp for (Pay Friends kind of thing)

I believe these payments are NON Taxable and not considered Income! Here is an example of this

**Jonathan Mills:**

Whitney Snapp (321) 228-3393

\$jmillslaw

**RUSTY M:**

Hey when u get to your office if u can just send me a request like before bc I've reached my max of sending out for the week on cash app

Or if I'm your office I can bring u cash if want

**Jonathan Mills:**

Yep no problem thanks rusty

**RUSTY M:**

Unless u got chase bill pay by chance and I just set it recurring if u do so it's just paid every month

Your about to receive 1k from either Mary or a1stopbail to put on Kelli's legal bill

I Zelle's her and she is cash app u

**JUNE 30, 2022**

**RUSTY M:**

Hey I just discussed with Kelli and yes like we discussed yes she wants you taking care of both cases

**JULY 9, 2022**

Kelli would always try to reach Jonathan but never could, she always had to get me involved for him to respond to his client! At this point she has not seen Jonathan besides the one time he saw her in jail, of course as mentioned she was very sick and does not even recall meeting him!

**RUSTY M:**

Hey Kelli has trying to reach you she really just wants to hear from you what u said to Tara and I so she will know that the case is being taken care of. Can u tell me a time that We can meet up with u in person maybe even outside of a hearing ur leaving out of being just blocks from courthouse or u can always swing by our place if u would like. And I'll give u the payment when I see u then: just let me know and how is good for u

**Jonathan Mills:**

Hey, sorry I was out yesterday I think she did message me  
If it's ok I'll give her a call Monday around lunchtime

**RUSTY M:**

This is rusty in case my phone is acting crazy and doesn't show my number lol been showing my email addy lately

Ok ya

A Month passes and nothing done on the case

**JULY 28, 2022**

**RUSTY M:**

Does Kelli still need to go to the court house today or not

**Jonathan Mills:**

Hey Rusty! No she does not. Her appearance is not required for pre-trial and I submitted an order continuing the case yesterday because I am still a trial.

Another 4 Months have gone by and still no actions whatsoever on his part to meet with us not to mention even make a plan!

**OCTOBER 5, 2022**

**RUSTY M:**

Hey it's rusty if u can send me another invoice for another 2 k I will pay that on that fee as well. I paid the 1000 u requested but was wanting to do 3 k down on it  
So when I pay this other 2k that will have it up to 9k if my math is correct

**Jonathan Mills:**

Yep I believe that is correct. Thank you

I also sent you a waiver for her to sign electronically

NOTE: THIS MESSAGE BY MILLS SHOWS THAT MILLS HAD MILLER ACTIVELY INVOLVED IN THE CASE AND EVEN SENDING DOCUMENTS TO MILLER FOR LYNCH TO SIGN. THESE MESSAGES ALSO SHOW THAT EVEN WHEN MILLS SENT IT TO MILLER. MILLER KNEW THAT WAS NOT APPROPRIATE AND PROVIDED HER EMAIL TO MILLS FOR HIM TO SEND IT TO HER NOT MILLER.

**RUSTY M:**

Waiver?

**Jonathan Mills:**

**Yeah so she doesn't have to go to pretrial**

**RUSTY M:**

But ya send me another request for 2k

And I'm I'll let her know

Ty

Is it just gonna be set off again?

**Jonathan Mills:**

Ok thanks. You should have it now it can from a different card processor

I'm going to ask for that yes

**RUSTY M:**

But Regardless she signs that and won't need to show up tomorrow or she does need to go

**So when she went to sign it it says my name.**

**Can u send it to her email**

**Kellilynych5@gmail.com**

**DECEMBER 12, 2022**

Another 2 months go by and we determine that phones and text is not the best option and request to see him!

**RUSTY M:**

**Hey it's rusty can Kelli and I stop by and see you?** Let me know when is best

**JANURARY 17, 2023**

We never heard back form him, so another month goes by and we reach out again.

**RUSTY M:**

**Hey it's rusty. Just wanting an update on Kelli's case like have u scheduled depositions or anything and or any changes.** I heard she still has the same DA. Have u discussed like couple years house arrest or anything with them just like where are we at?

Jan 17th He states he is working on the depos

**Jonathan Mills:**

**Hey Rusty, I'm waiting on the state to get back to me about her continued cooperation, and we are coordinating the depos as we speak. They were going to be around now but I couldn't do them due to a trial conflict so I had to ask for dates farther out**

**NOTE: THIS WAS NOT TRUE NO DEPOS WERE EVER SCHEDULED**

**RUSTY M:**

Ok np. So I assume her feb court date will be a continuance

**Jonathan Mills:**

That's my expectation yeah

**FEBURARY 1, 2023**

Still not able to meet, its now been another month

**RUSTY M:**

Hey does Kelli need to go to court tomorrow or no? This is rusty. And resend me the link to make a payment too plz

**Jonathan Mills:**

Nope she does not it is anticipated it will be continued  
Thanks!

**RUSTY M:**

Ok just checking and when can we meet up. To get an update as well we had a thought wanted to run by you

And did u file a motion to continue so she doesn't get in trouble and that's all taken care of?

**FEBURARY 2, 2023**

**RUSTY M:**

Never heard back from u and on the website it says trial so what's going on with this

**Jonathan Mills:**

Hey Rusty, sorry I'm in trial all week and have someone handling pretrial for me. I'll get you the next day as soon as I hear back from them they should be sometime today. Sometimes the online does not update right away so don't worry too much about that right now.

We are now in Pretrial, No Depositions scheduled, no plan of action taken, it has been over 8 months since he has had the case, and zero work has been done on this case even though we were spoon feeding him!

**RUSTY M:**

Ok yes let's get this figured out bc this is a bit concerning but hopefully u got a strategy and a plan but let's talk as soon as u can. Remember we live like 2 blocks from the court house so can always stop by here when u get a second

**Jonathan Mills:**

I was able to do it actually, Pretrial was continued to 3/10  
I would love to but I'm in Bartow through next Thursday unfortunately

**RUSTY M:**

Ok so after then

No response for another month

**MARCH 10, 2023**

Kelli decided she was going to court to at least run into Jonathan to find out something, But Jonathan doesn't even show up to the court that date

**RUSTY M:**

Hey does Kelli need to appear today

**Jonathan Mills:**

No

**RUSTY M:**

Ok are u going today or another person bc she is heading up there

**Jonathan Mills:**

Yeah someone is covering for me. We have the depo set 3/29. I don't think they will let her in the courtroom just fyi

Here he states that Depositions are set for 3/29, this comes out to be another delay tactic of his, it is never scheduled till May, which then comes out to be here never does them at all, more to come.

**RUSTY M:**

Ok why u say that isn't it open to the public

**Jonathan Mills:**

Usually for pretrial they just let attorneys in Because it's so crowded

**MARCH 22, 2023**

**Jonathan Mills:**

Hey Rusty sorry for the late text. Is Mateus still at 1831 Central Park ave?

**RUSTY M:**

No. Can we drop by tomorrow to discuss all of that and by then can I'll get that address for you

**Jonathan Mills:**

I'm in trial tomorrow I'm not sure when I'll be back. I'll contact you when I'm headed back

**RUSTY M:**

Ok. We moved to Bay Hill now. Have a house out here now. Not sure where about u live at but just something rather speak to u in person about so can be anytime, can even meet at a Publix or something near where u will be just let me know

**Jonathan Mills:**

That's cool. That's a nice area you liking it?

**RUSTY M:**

Ya just a lot of upkeep and trying to get it up to par. Been a handful for sure

**MARCH 26, 2023**

**We noticed a similar case that potentially had some kind of connection to the case defending. However this went nowhere with him either and he never looked into it!**

**RUSTY M:**

2022-CF-013981-A-O

Look up this case. This one is even worse bc the guy actually got the car

The credit victim and dealership is pressing charges. The guy has priors and everything

We will stage protests at their office and get media involved if they really want to press this going all ham on their ass because of this

Please look into this

I have correspondence with maxwell frost we will have him involved in it as well bc this prosecutor favoritism to African American over white

Obviously Depositions were not done on March 29, like stated and he finally sent out a notification but only through this filing to the court, not by mailing out notifications to the participants nor any verbal communication either. Just this simple court filling!

We are concerned now because here is the depos scheduled after Pre Trial

**Filing # 170898867 E-Filed 04/13/2023 05:33:27 AM**

**Depositions scheduled for May 15**

**APRIL 14, 2023**

**RUSTY M:**

Hey can u stop by our place sometime this weekend for a minute to talk in person with this situation Colin does not live here or stay here so no issues there but can u do that please she is little lost on what exactly is needed and we can get this all worked out

**Jonathan Mills:**

Yep I'm sure we can work something out

Right now we're set for next week, it may still get continued

At this point we are in a panic, there is nothing done on this case!

**APRIL 17, 2023**

We have important info that will make the state want to work with us, but he once again fails to inform the state about anything!

**RUSTY M:**

Hey I'll have Kelli and Matt on board to honestly at this point not try to protect Collin but both just tell the truth but for sure one thing that has to be done no matter what is depo Collin he will be caught I guarantee you in multiple lies as well I'm almost certain that he has lied to the state about the whole thing and we have proof that he's lying and the master mind. We will make sure that Collin is there for the depo and go any angle u want with him to prove that he is the one doing it. We can even ensure that he will be at his apartment that is used with stolen identities where people with warrants and a trap house he made out of the place he got.

He's driving around in a stolen car currently as well.

And the state had everything they needed with this case when they got arrested however they gave him back his laptop.

**NOTE: ALL OF THE EVIDENCE OF THE CRIME WAS ON CLENNANS LAPTOP BUT THE STATE GAVE IT BACK AND KEPT LYNCH LAPTOP WHICH HAD NO EVIDENCE IN IT.**

If they go to his place on a surprise they will find any possible evidence they will ever need to bring a strong case against him.

As well Kelli said she would testify if needed.

She is also wary of just giving up info without anything she thinks she will just tell on him and get nothing but if u can get a deal be it even 5 years house arrest even anything but jail she can be deposed where she can answer any questions they want and will agree to testify if need.

Let us know and if it helps I'll hire a private detective if need to follow him a couple of days if u need me to.

Thanks

**NOTE: THIS IS HOW HE GETS KELLI TO TAKE THE PLEA SHE THOUGHT SHE WOULD BE PROVIDING INFORMATION ON CLENNAN BUT IN REALITY THAT IS NOT WHAT HAPPENED.**

Here is another example of complete failure to provide effective assistance of counsel. Court was to be held on April 16th. Jonathan told Kelli on April 14th, not to show up to court. Jonathan did not file a motion to continue for this case. And Jonathan did not show up for court! However there was a closed case that jonathan never even was assigned to where he got another lawyer to file a motion for continuance on that case on the day of in open court being he was not there. This obviously was not received well by the judge and rescheduled the court case 4 days later.

This cause came on this day for: Pre-Trial Conference. The following persons are hereby notified that the honorable Diego M Madrigal, has set the above styled case for hearing(s). with Asst State Attorney, Amandeep, present and you, the defendant, KELLI RENEE

The case that was reopened by this mistake of having someone else file on a case that has been closed for over a year is still considered Re-opened to this error, and he has failed to clean it up.

Remember here we are now going into final negotiations with the state to work a deal and there has been no negotiations done, and nothing has been done on this 1 year, and 4 month old case!!

### **APRIL 20, 2023**

After they were summoned back to court everyone after missing court 4 days prior we were able to meet outside of court, of course jonathan had plenty to provide the state but probably hasnt even read any of it or looked into it so the state is still offering 3 years with no agreement to corporate. And during the convo we talked about our new puppies, that is the only thing i could get a response from him for later on.

**RUSTY M:**

Hey I'm here can I come in or just wait outside court room

**Jonathan Mills:**

Hey outside is fine we should be done soon

### **MAY 5, 2023**

**RUSTY M:**

Hey can you send me pictures of your puppies ?

**RUSTY M:**

Yes sure sorry just saw this

Date for the depositions come and gone! There were never any depositions that took place!

**JUNE 23, 2023**

The day of the misrepresented plea!

In other messages with Kelli you will see where there was no notice or explanation that occurred explaining what she is about to sign. It was stated to us that it was always an offer for a 3 year sentence and the state was not willing to corporate, which is not surprising being he never sent them any of the information that we clearly had, nor did he weaken their case by holding depositions. But on this date he said the state was finally willing to corporate with kelli and reduced her charges in return willing to speak with her AFTER signing of the plea agreement and could potentially just get probation or minimal time.

In other text messages you will discover a conversation of kelli and i discussing the plea they gave her where i see it is reduced charges and where she asked about worst case scenario and stated that if didnt work out could have the judge rule on sentencing where she scores out to 47.3 points.

whole case has occurred.

I got concerned and messaged jonathan after not hearing back from kelli after a couple hours and this is where we pick up.

**RUSTY M:**

What happened with Kelli this morning haven't heard from her

**Jonathan Mills:**

She's all good we just left

**RUSTY M:**

She called me Ty! So I see the F1 is gone so that's great and she doesn't score out to prison now it looks. So u think there is a chance with even an elevated amount of probation or house arrest to balance out any more jail time if that's what they are looking for?

No response till September!

**SEPTEMBER 27, 2023**

**RUSTY M:**

Hey how's it going? So Kelli is getting all stressed and needs some redirection! Can u talk with her and remind her what she needs to be doing for herself she is seeing this all in the wrong light and needs some guidance thanks rusty

**OCTOBER 2, 2023**

On this day, a couple days before sentencing we speak on the phone and then once again discuss worst case scenario where she is looking at 14 months-jonathan said, i calculated my score sheet incorrectly, but agree with him in a text message. We also were trying to now look at the other charges and seeing if

any way could get them thrown out to possibly reduce the points to mitigate possible prison.

**RUSTY M:**

<https://acrobat.adobe.com/link/review?uri=urn:aaid:scds:US:feddf6cb-af8d-308a-a3ea-956c7c3bcd86>

Hey that is the statue of the second charge for that charge there is no mention of an attempt. And like any other crimes there was never an actual time she had possession of anything and never drove it off the lot or deprived anything! This charge should not hold up

And ur right it is 14 mos on the score sheet but if could get this one removed then she should repeal her plea

The Charge referring to is the second charge because we are under the assumption the worst case scenario is 14 months and he stated that removal of the plea could be back to 3 years, but if could find cause that the second charge is invalid then we should withdraw the plea which is what him and i text about now

**RUSTY M:**

Or throw the offer of 5yrs probation even and keep the charge if they want

**Jonathan Mills:**

It's the language in paragraph 1

**RUSTY M:**

Well they didn't charge paragraph 1 they charged paragraph 2 or am I not understanding how it reads

**RUSTY M:**

And would that be a level 6 or should it not be lower

**RUSTY M:**

They have it as a level 6

NOTE: EVEN HERE WE ARE ALREADY POINTING OUT THE DUPLICIOUS MANNER THE STATE WROTE UP THE CHARGE THAT SHE HAD TO GO TO TRIAL TO PROVE SHE DID NOT DO THE WAY THE STATE WROTE THE CHARGES UP. SO THIS ISSUE WAS BROUGHT WAY BEFORE TRIAL EVEN THOUGH NEVER BROUGHT UP OFFICIALLY MAKING THE STATE ATTORNEY CHOOSE BETWEEN A FIRST DEGREE AND A THIRD DEGREE. IF HE WOULD HAVE NO TRIAL WOULD HAVE EVER OCCURED AND AS TRIAL PROVED – PROBATION WAS THE PROPER OUTCOME ONLY PROVIDED AFTER TRIAL.

We discussed after these messages on the phone once more where he had another call and then i sent this message to pick up what we were discussing.

**RUSTY M:**

It could be debated I would argue that if u rented a hotel room well the value of the room itself is more that \$250 yet the charge is not the actual cost of the hotel room determine by the

property appraiser it's by the value of the room that night. So why put value on a car she never owned or denied access to the owner. Just like the hotel room they still owned that hotel room. Just a theory of the ownership if u know what I mean.

**OCTOBER 3, 2023**

NOTE: MILLER HAD TEXT MESSAGES BETWEEN THE CO DEFENDANTS HE GAVE MILLS MONTHS AGO NOW AFTER SPEAKING WITH HIM ON THE PHONE MILLS NEEDED THE MESSAGES REDONE SAYING THE STATE ATTORNEY COULD NOT READ THEM

**RUSTY M:**

Here is the messages summed up with notations and explanation on the right

**RUSTY M:**

Also Matt will be writing a letter to the state letting them know he is needing to adjust his statement he made to them and clarify that Kelli had no creation of this scheme and was just simply there to sign

NOTE: This is the main witness that never got deposed by us and still is on for the state as a witness even though since his original statement was given to the cops he now has provided text messages to prove what he originally said to save his self was not accurate and willing to correct the story.

NOTE: Also the state is very aware of the mastermind behind this and wanted as much to get him that was told to by our attorney however never followed through on the states request or assisted with this angle of defense.

**RUSTY M:**

And willing to testify if needed

**OCTOBER 4, 2023 RUSTY M:**

I realized the file I sent earlier only worked on computer so hopefully this is

better

**Jonathan Mills:**

Thanks I will bring it up with the state tomorrow

**OCTOBER 4, 2023**

**RUSTY M:**

Also not sure if u saw it or not. But do u think it's a good idea for Matt to say that he wants to recount his statement. I think at least that would poke holes in the case so they won't have a strong hand

**RUSTY M:**

He is coming with and can write a letter as more of a witness on our side the text messages support his change of statement

**Jonathan Mills:**

Ok, it's going to depend if they are still willing to negotiate

**RUSTY M:**

And he would testify if it came up to charge Collin

**RUSTY M:**

So honest truth not telling Kelli what u think will this boil down to u think between u and I

**RUSTY M:**

So where she stands she will do a drug treatment program she will do up to 5 years  
probation

**RUSTY M:**

She would do 3 months and five probation even which she already did most of that time

**RUSTY M:**

Trying to get through security

**RUSTY M:**

6a right?

**Jonathan Mills:**

Yes

**RUSTY M:**

We are outside

**RUSTY M:**

Does she come in

NOTE: EVEN UP UNTIL SENTENCING MILLS WAS TELLING THEM SHE WOULD DO A 5 MONTH DRUG TREATMENT PROGRAM. BUT LYNCH DIDNT TECHNICALLY HAVE ANY DRUG CHARGES. BECAUSE THE TRAFFICING CHARGE WAS NEEDING TO BE DROPPED BC OF THE EVIDENCE.

NOTE: THE FOLLOWING IS WHAT OCCURED DURING THE BREAK AFTER THE JUDGE TOOK A BREAK ON OCTOBER 4. THIS IS WHAT MILLS SAID HE DISCUSSED A FEW THINGS IN THE HALL THIS IS WHAT THEY DISCUSSED.

**RUSTY M:**

So she was not aware about what she was signing carried any minimum mandatory. As well you had the messages to give them what they wanted but u gave them that only today. So not on their side that u did a bad Job I have been defending u to her. BUT the state and judge thinks she didnt corporate but she did and not sure who's fault is that but she did. So she will make a statement to that extent I need you to back her up on this and tell them that she thought she could at least do score sheet

**Jonathan Mills:**

I understand I don't take it personally

**RUSTY M:**

But I do think this could have been organized better the state still has Matt's statement that can punch holes in this and we can give them what they need including Matt but

we just needed to know what they needed no one is the lawyer only you and she needed to

understand what is needed please figure something out
